

Volunteer

A Volunteer with the W.S.W. Foundation is a person who volunteers to perform a service or task without financial compensation or gain. A person who donates their time or efforts for a cause without being paid. A person who participates for the benefit of the community or cause involving a project or activity can also receive written verification for the hours and efforts which they have donated. Take pride in your efforts; knowing that those who are less fortunate then you appreciate your kindness!
